

That feeling when

# EVERYTHING FALLS INTO PLACE

Jayhawk GPS is the most convenient way for you to track your academic advising information. You can access your advising notes, current course schedule, and schedule appointments with your advisor. **Navigate Student** is the companion app to Jayhawk GPS, providing you with easy access to information about upcoming dates and deadlines, campus resources, holds, and advising appointments.

Schedule advising appointments

Discover academic resources—including directions to offices on campus

Make your own to-do list and set reminders

Get reminders and alerts about important deadlines

Receive alerts about holds and find out how to resolve them

Locate and reach out to your academic advisor(s).

Sync your class schedule with your phone calendar

Available now in the App and Android Store  
Search for "Navigate Student"
