Will you be submitting additional supporting documentation?  Yes  No

*If yes, please attach supporting documentation to this form.*

**Please answer the following questions:**

- 1) Explain why you feel an exception should be made for you?
- 2) What documented extreme or unusual circumstances should be taken into consideration that prevented you from doing well at KU, especially during this semester?
- 3) What steps do you plan on taking to improve your academics at KU if you were allowed to be readmitted or remain at KU? Please be specific.
- 4) If approved, you will need to earn a required KU term GPA every semester until your KU cumulative GPA reaches or exceeds a 2.00. Please tell us the specific grades you plan to earn in the classes you are enrolled in or hope to enroll in.

**You will be notified by email once a decision is made on your petition.**

***Please note:*** *It is rare for reinstatement petitions to be approved. Your probation semester was the semester to show that you could successfully meet your probation requirements.*

*You will be contacted by email when a decision has been made on your petition. Petitions are reviewed by a committee that will meet sporadically over the break and will have at least one meeting between the time students are notified of dismissal and the start of classes for the next term. If your classes have been dropped, upon approval, you will be allowed to re-enroll in classes. We cannot guarantee that your previous schedule will be attainable.*

I understand that my submission of this petition indicates my knowledge of the following:

- Any documentation submitted for this petition request is protected by FERPA and will not be shared with another party (except those with legitimate education interests regarding this petition) without my consent.
- If approved, I understand that I will need to earn a required KU term GPA every term until my KU cumulative GPA reaches or exceeds a 2.00.
- It is my responsibility to be prepared for the possibility of my request being denied so that I am able to meet my readmission after dismissal requirements for a future term.
- An approved petition will **not** guarantee that I am eligible for financial aid.
